

Dear parents:

I am very pleased to announce that **AMiGoS Spanish Club** will offer after school Spanish clubs at St. Paul's starting in September, 2017.

AMiGoS Spanish Club, a fun language learning club enables children to learn to speak Spanish through play, activities and songs. The ability to speak a second language at an early age can instil greater self-confidence as well as broaden their understanding of different cultures.

The main focus of the clubs is to expose the children to basic Spanish vocabulary. We concentrate more on speaking the language with a good accent, than in studying grammar. Music plays an important part. Some children, who find it hard to speak, may discover they can sing in Spanish without difficulty.

Each session is 45 minutes long (3:30 - 4:15pm). The cost per session is £7.00 and includes all the materials needed for the session. Payment is collected in advance for the following term. At the end of each term, you will also receive a list of the vocabulary taught for you to encourage him/her to practice at home. At the end of the course your child will receive a certificate of completion, together with a folder containing all of the work that he/she has completed.

To enrol your child please complete the Booking Form provided on the St. Paul's website. And for more information please contact Shannon on 07979795073 or amigosspanishclub@gmail.com.

Atentamente,

AMiGoS Spanish Club

**Did you know
that Spanish is
the third most
spoken language
after English
and Mandarin?**

AMiGoS Spanish Club
