Equality Objectives 2018-2022

The Equality Act 2010 requires schools to publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and other evidence. The objectives focus on those areas where we have agreed to take action to improve equality and tackle disadvantages. We will regularly review the progress we are making to meet our equality objectives.

Objective	Success criteria
To promote understanding and respect for differences.	<p>Bullying log to show a reduction over 4 years of prejudice based incidents.</p> <p>Parent Annual Survey to show an increase in the numbers of parents who agree/strongly agree that the school deals well with bullying.</p>
To narrow the pupil premium gap in Reading, Writing and Maths in all year groups.	Progress for PP children will be broadly in line with whole school progress.
To improve provision for pupils for whom English is an additional language, particularly new arrivals at the early stage of English acquisition.	<p>Pupil/Parent interviews.</p> <p>Speaking and listening data shows sustained progress.</p>

Updates:

Updates regarding reviews of the progress we are making against our objectives will be published here periodically.
